### CAREER OBJECTIVE

Confident young professional with a passion for learning and development. Eager to leverage education and training in the web development space to support the growth and success of a high-performing organization. Strong track record of setting effective goals and leading teams to achieve those goals. Committed to continuous improvement and driving team success. An ability to apply data driven and qualitative analytical skillsets to create highly innovative products.

### WORK EXPERIENCE

#### Intern

##### CCD PR

June 2020 - September 2020 / Remote

- Designed Health Food sector client's marketing strategy while providing input into overall market conditions and competitive landscape.
- Built out a culture of robust data collection and A/B testing to improve campaign performance, leading to a 20% average improvement from campaign start to end.
- Created A/B testing plan for Facebook ad copy, leading to a 15% improvement in ROI.
- Exceeded growth targets every quarter by an average of 7%.

#### Assistant

##### LNM Global

June 2021 - October 2021 / Kiev, Ukraine

- Processed legal research examining corporate relations and taxations frameworks while leading client relationship management and contract negotiation efforts, which lead to 5% more retention.
- Handled client communication for 8+ clients at any given time.
- Analyzed legal databases to conduct thorough research for 12% of firm cases.
- Strengthened the firm's reputation among clients by communicating in 3+ languages fluently.
- Composed 6+ types of legal documents, including motions, briefs, contracts, etc.

#### Volunteer

##### Save Lives Foundation

March 2022 - July 2022 / Warsaw, Poland

- Developed logistic network to allow military supply and equipment to reach Ukraine faster. The use of real time reports (24/7) on the operational situation in Ukraine helped the team adjust their delivery schedules on the ground resulting in increased safety and fewer delays.
