Extra-curricular activities

Leader of Entrepreneurship Club, Coventry University, London

October 2020 — December 2021

Managing a group of people with varied skill sets and interests is a challenge. As the leader of the Entrepreneurship Club I had to deal with this challenge on a daily basis, be it holding events for the club, scheduling our field trips, or actually planning to develop a detailed business plan for my club members. In order to keep my team motivated, I kept track of their individual progress and created rewards for those who met their goals ahead of time.

House Captain, Ridley College IB, Toronto

September 2018 — May 2019

I have been responsible for representing the interests of the students in my house, and for helping to create a positive and inclusive community within the house. This involved organizing social events and activities, promoting good behavior and academic achievement, and acting as a liaison between the students and the school administration. Overall, the role of a house captain was to help create a supportive and engaging environment for all students in the house.
